Business valuation

About the program:

With thousands of start-ups, heightened M&A activity, a plethora of IPOs, investors with deep pockets and a strong intangibles market, valuation is a skill that is imperative for finance professionals.

The aim of the business valuation training program is to provide comprehensive knowledge on valuation of business and allied areas such as intangibles, understanding business models, financial statements forecasting, international valuation standards and much more.

This program will cover:

- ▶ Basics around Business Valuation and Business Models
- ▶ Valuation approaches and methodology
- ▶ Understanding economy and industry
- ▶ Financial Statements forecasting
- ▶ Valuation for a variety of cases, such as start-ups, privately held large corporations, intangibles, employee stock options (ESO), valuation for mergers and acquisitions (M&A), and more
- ▶ Valuation of companies in specific industries (e.g., manufacturing, EdTech, FinTech etc.)

Who should attend?

- ▶ Investment Bankers, Private Equity Professionals, and Venture Capitalists
- ▶ Equity Researchers
- ▶ Corporate Finance Professionals
- ▶ Chartered Accountants and Financial Analysts
- ▶ MBA graduates with a focus on finance
- ▶ Start Up Founders
- ▶ Entrepreneurs
- ▶ Finance students aiming to launch a career in valuation
- ▶ Non-finance personnel looking forward to gain a deeper understanding of valuation

The program aims to develop a broad idea around valuation with the help of real-life examples.

Program agenda

- Introducing Business Valuation
- Understanding the economy and industry
- Understanding Business and Business Models
- Analyzing Financial Statements
- Financial Statement forecasting
- Cost of Capital / Discount rates
- Overview of International Valuation Standards
- Valuation approaches and methodologies
- Special cases in Valuation
- Bond and Preference Share Valuation
- Corporate laws and Income Tax Implications

Program deliverables

- ▶ 11 Modules
- ▶ 25+ hours of eLearning videos
- ▶ Interactive case studies
- ▶ Access to the course for six months
- ▶ Assessment and a Certificate of Completion
- ▶ Query support through email

Certification and Assessment

EY will award "Certificate of Completion" upon Successful completion of the program:

- Assessment would be based on MCQ's
- Participants will get 3 attempts to clear the assessment
- Participant needs to achieve a minimum score of 50% to pass the exam

About EY Learning Solutions

In today's dynamic business environment, characterized by constant organizational transformation and regulatory changes, having a flexible and cost-effective workforce is crucial. High-quality training is a vital component of innovative talent management, enhancing performance and ensuring that your teams can effectively respond to today's challenges, thereby equipping them for career success.

At EY FAAS, we recognized this need and, in response, established a dedicated "Learning Solution" practice to assist corporate and practicing professionals in navigating new requirements. FAAS Learning Solutions complements EY's primary range of services, offering tailored training solutions for our clients and business communities across India, Europe, the Middle East and Africa. Our multidisciplinary team of trainers from around the world ensures a global perspective in our training programs, reflecting the insights of a globally integrated firm.

All training programs are regularly updated to align with changing trends and guidance. Our practical, relevant and stimulating courses are led by highly competent trainers with first-hand knowledge of the subject matter. We acknowledge that each client has a unique history, size, location and sector; thus, programs can be tailored to the specific needs of your business.
